Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

Between October 6, 2022 and October 13, 2022, Legacy Education Alliance, Inc. (the "Company") borrowed an aggregate of \$50,000 (collectively, the "Loan") from ABCImpact I, LLC, a Delaware limited liability company (the "Lender"), evidenced by one or more 10% Convertible Debentures (the "Debentures"). Pursuant to the Debentures, the Lender has the option to loan up to an additional \$4,150,000 to the Company.

The Lender is a recently-formed entity in which an affiliate of Barry Kostiner, the Company's Chief Executive Officer and sole director, has a non-controlling passive interest. The Lender previously loaned an aggregate of \$800,000 to the Company pursuant to convertible debentures substantially similar to the Debentures.

The maturity date of each Debenture is the earlier of 12 months from the issue date and the date of a Liquidity Event (as defined in the Debentures), and is the date upon which the principal and interest shall be due and payable. The Debentures bear interest at a fixed rate of 10% per annum. Any overdue accrued and unpaid interest shall entail a late fee at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted by applicable law, which shall accrue daily from the date such interest is due through and including the date of actual payment in full.

The Company intends to use the net proceeds from the Loan for general corporate purposes and working capital.

The then outstanding and unpaid principal and interest under each Debenture shall be converted into shares of Company common stock and an equal number of common stock purchase warrants (the "Warrant") at the option of the Lender, at a conversion price per share of \$0.05, subject to adjustment (including pursuant to certain dilutive issuances)

pursuant to the terms of the Debenture. The Debentures are subject to a beneficial ownership limitation of 4.99% (or 9.99% in the Lender's discretion).

The Company may not prepay the Debentures without the prior written consent of the Lender.

The Debentures contain customary events of default for transactions such as the Loan. If any event of default occurs, the outstanding principal amount under the Debentures, plus accrued but unpaid interest, liquidated damages and other amounts owing through the date of acceleration, shall become, at the Lender's election, immediately due and payable in cash at the Mandatory Default Amount. "Mandatory Default Amount" means the sum of (a) the greater of (i) the outstanding principal amount of the Debenture, plus all accrued and unpaid interest, divided by the conversion price on the date the Mandatory Default Amount is either (A) demanded or otherwise due or (B) paid in full, whichever has a lower conversion price, multiplied by the VWAP (as defined in the Debenture) on the date the Mandatory Default Amount is either (x) demanded or otherwise due or (y) paid in full, whichever has a higher VWAP, or (ii) 130% of the outstanding principal amount of the Debenture, plus 100% of accrued and unpaid interest hereon, and (b) all other amounts, costs, expenses and liquidated damages due in respect of the Debenture.

The Warrant has an exercise price per share of \$0.05, subject to adjustment (including pursuant to certain dilutive issuances) pursuant to the terms of the Warrant. The exercise period of the Warrant is for five years from the issue date.

The exercise of the Warrant is subject to a beneficial ownership limitation of 4.99% (or 9.99%) of the number of shares of common stock outstanding immediately after giving effect to such exercise.

The shares underlying the Debenture and the Warrants have "piggy-back" registration rights afforded to them.

The foregoing is a brief description of the Debenture and the Warrant, and is qualified in its entirety by reference to the full text of the Debentures and the Warrant, forms of which are included as Exhibit 10.1 to this Company's Current Report on Form 8-K, each of which are incorporated herein by reference.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement

As previously disclosed in its Form 8-K, filed on July 21, 2022, the Company entered into a Forbearance Agreement (the "Forbearance Agreement") with GLD Legacy Holdings, LLC ("GLD"), the holder of the Company's 10% Senior Secured Convertible Debenture dated August 27, 2021 (the "GLD Note"), and Legacy Tech Partners, LLC, on July 15, 2022. The GLD Note is in the principal amount plus accrued and unpaid interest of \$553,675.74.

As partial consideration for GLD entering into the Forbearance Agreement, among other things, the Company agreed to issue to GLD 2,100,000 shares of the common stock of the Company at a price per share of \$.0001 (the "GLD Consideration Shares"), which GLD Consideration Shares shall be registered for resale on a Registration Statement on Form S-1 by August 15, 2022 (the "Form S-1").

The Company did not file the Form S-1 by August 15, 2022. Although such failure to file was an Event of Default under the Forbearance Agreement, the Company at that time believed that GLD had agreed to provide additional time to file the Form S-1.

On October 7, 2022, GLD provided the Company with formal, written notice that the Company is in default under the terms of the Forbearance Agreement and the GLD intends to exercise all available rights and remedies at law and/or at equity. Pursuant to the Forbearance Agreement, upon the occurrence of an Event of Default, GLD may release a Confession of Judgment from escrow and enter judgment against the Company for the outstanding principal balance due under the GLD Note, and any accrued, but unpaid interest. GLD has the option to exercise any or all remedies provided under the Forbearance Agreement, the GLD Note or applicable law.

In addition, the Company expects to continue to trigger Events of Default commencing as of October 15, 2022, when the next set of obligations come due under the Forbearance Agreement. The Company can give no assurance that it will cure any Events of Default or that GLD will not exercise any and all of its rights under the Forbearance Agreement.
